Connecting you to Ethereum and the Decentralized Web.
We're happy to see you.

Get Started

Step 1: click on “Get Started”

METAMASK

New to MetaMask?

No, I already have a seed phrase

Import your existing wallet using a 12 word seed phrase

Import Wallet

Yes, let's get set up!

This will create a new wallet and seed phrase

Create a Wallet

Step 2: Click on “Create a wallet”

[< Back](#)

Create Password

New Password (min 8 chars)

Confirm Password

☐

I have read and agree to the [Terms of Use](#)

Create

Step 3: 1. Set the password for the metamask wallet

2. After entering the password, click the " Create Button".

Secret Backup Phrase

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.

Tips:

Store this phrase in a password manager like 1Password.

Write this phrase on a piece of paper and store in a secure location. If you want even more security, write it down on multiple pieces of paper and store each in 2 - 3 different locations.

Memorize this phrase.

[Download this Secret Backup Phrase and keep it stored safely on an external encrypted hard drive or storage medium.](#)

Step 4: Click to unlock the Phrase

Secret Backup Phrase

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.

goat pudding cheese turtle visit
lunch cat slam blouse power
excite will
